Ralph Gantz, of Bristol Terrace II; H. W. Stephens, Terrace I, Sent to Prison

ALLEGEDLY STOLE \$200

Judge Keller Upbraids The Plaintiff for Selling To the Pair

DOYLESTOWN, May 23 — Ralph Gantz, Bristol Terrace, No. 2, a former ETO infantryman and American prisoner of war in Germany for more than a year, who was described by District Attorney Edward G. Biester as getting drunk on the "taxpayers' money," and Harry W. Stephens, Bristol Terrace, No. 1, a South Pacific Seabee, were sentenced by President Judge Keller to serve not less than one nor more than three years in the County Prison.

Stevens, the father of five children, the youngest of whom is 16 months, and Gantz, who was living on unemployment compensation, pleaded guilty to stealing \$200 March 1 from the taproom of Dominic Bresniah, Bristol Terrace.

President Judge Keller upbraided Bresniah, the taproom proprietor, for permitting and selling taproom to men who hung around until 2 o'clock the next morning. "Keep a closer watch on your place and see what is going on," the Court said. "You are partially to blame for what happened and may find yourself in trouble."

Stephens, who informed the Court that he had to beg an Elizabeth N. J. cop to arrest him the next day because he had committed a gin mill robbery in Bristol on March 1, said: "The officer said, 'Go away you are crazy.' I begged him to take me in and after awhile he said, 'Wait until the radio-wagon comes along and we will take you in, which they did.'"

President Judge Keller described Stephens' testimony as "refreshing." Chief of Police Linford C. Jones, of Bristol, said Stephens had never given them any trouble before.

## A SUMMARY OF THE NEWS

Former Secretary of Defense Forrestal leaped to his death yesterday morning from the 16th floor of the National Naval Medical Center, Bethesda, Md. When his body was found, the sash of his dressing gown was found knotted around his throat. It had been indicated that Mr. Forrestal was recovering from a nervous collapse that manifested itself in an acute feeling of insecurity and persecution. He was said to have felt unjustly blamed for the Air Force stand on unification and for what some considered to be an anti-Zionist attitude.

Tribute to an official who had served with "devotion and distinction" was paid by President Truman and other public men. The President, ordering flags flown at half-staff, called Mr. Forrestal "as truly a casualty of war as if he had died on the firing line." As the first Secretary of Defense, Mr. Forrestal was called upon to start unification of the armed forces at a time in world affairs he considered so precarious that he had to be prepared for war.

## PRISONER CALMLY WALKS OUT OF COURT

Newtown Man Is Later Returned and Sent To Prison

## NON-SUPPORT CASE

DOYLESTOWN, May 23 — Instead of taking a few steps to sit in "prisoners' row" after disposition had been made of his case in court here at the end of the week, William B. Mellor, Jr., 42, Newtown, calmly walked up the center aisle and left the court room.

It was a while later that the "prisoner" was picked up and returned to the place reserved for him.

Mellor was committed to Bucks Co. prison by President Judge Hiram H. Keller because he had failed to comply with the court's support orders. He strolled out of the court room with his attorney, Pearce H. E. Aul, Newtown, and was "free" until an order was issued remanding him to prison. Later his counsel informed the Court that it was the attorney's first experience with such a case.

During the hearing, Mellor's counsel was picked up and returned to the place reserved for him.

## ONE MAN'S OPINION

By Walter Kiernan  
(Distributed by International News Service)

Earnest attention is being given Sen. Flinders' proposal to float messages into Russia by balloon . . . the State Department to supply the wind-bags.

One possible drawback is the slowness of a balloon in contrast to the swiftness of our policy changes.

By the time a balloon, gassed up in Washington, was shot down over Moscow we might be on the third revision of what is called "our fixed policy."

Anyway we had a good celebration of the lifting of the blockade in Berlin . . . lasted right through to the beginning of the next one.

But in the interim, consolidation of our armed forces moved along smoothly with the Navy announcement that it now has a jet fighter which can shoot down the Air Force's B-36.

The Navy hasn't actually said it will shoot down B-36's . . . it just says it could. But persons living close to Air Force installations are urged to renew their accident insurance.

### MAN OVER MESSAGE

Maybe it has happened before. But the photograph of Defense Secretary Johnson set spang in the middle of the government's paid newspaper advertisement urging young doctors and dentists to serve in the armed forces, seemed like something new.

During the war and since the government has often called on citizens to save paper, help collect scrap metal, save food, buy bonds, enlist in some branch of the military establishment, or do something else. Possibly some of these printed appeals carried the pictures of officials. But if so, they did not put the emphasis on the man rather than the message.

This one did. The caption read "From Secretary of Defense Louis Johnson—An Urgent Appeal to Young Doctors." The text framed a cut of the secretary that measured better than two and a half by three inches. The Johnson signature, in large black script, appeared at the bottom. One glance would tell any casual reader that Secretary Johnson was making an urgent plea of some kind. It took more than a glance to find out what kind.

There is a need for doctors and dentists in the armed forces. It is justifiable to ask those who received government help in getting their training, or who were deferred from the draft so they could complete it at their own expense, to sign up for a two-year term of duty. But it is hardly necessary to publish Secretary Johnson's face in the newspapers to get the idea over.

The fact is that any advertising man who could not do a better job with this assignment ought to be in some other line. Secretary Johnson is entitled to have his political ambitions, but not to further them at public expense.

### REPORT ON ERP

President Truman has sent to Congress another of his periodic reports on the European Recovery Program. Because it dealt with the work of the Economic Cooperation Administration in the last quarter of 1948, it contained little new information. But it contained a forecast of considerable consequence.

"Realization of production and trade goals for the fiscal year," said the report, "is virtually assured and substantial improvement in western Europe's external position may be anticipated. The total gold and dollar deficit of the ERP countries on capital and current accounts is estimated at \$5,500,000,000—30 per cent less than the 1947 deficit of \$7,800,000,000."

As of June 30 this year, then, the dollar shortage ERP countries must contend with will be substantially less acute than it was last July 1. Beneficiary nations generally have achieved prewar production levels.

But the President's report says the second phase of the program attainment of the production necessary to economic independence, has "barely started." It is plain that there will be no cutting back of European relief expenditures in the near future.

## WASHINGTON WEEK

### THE MERRY MONTH OF MAY - MAYBE!

By CHARLES L. EGENROAD

WASHINGTON, D. C., May 26—The real cause for the Congressional bottleneck which is holding up Administration measures is President Truman's determination to spend more than the Nation's 1950 fiscal economy can possibly stand.

His insistence has swung both Democrats and Republicans into a consolidation that is gaining strength daily to save the nation from a higher tax bill with which to pay the Truman campaign promises.

Frost that President Truman is ignoring the advice of his own department experts by demanding increases in taxes to foot the bills for more spending is dramatized in a recent report of the Department of Commerce. This official report points out that a drop of major proportions can be expected in the national income in the fiscal year of 1950. It also indicates that early consideration of the trend in business this year will find wages and salaries alone falling by 13 billion dollars in the fiscal year ending June 30, 1950.

These are the sources of Government tax revenue. **Farm Income Due for Severe Drop**  
The Department of Commerce report predicts—based on what has happened in only a few months—that dividends will drop one billion; interest and rents will drop one billion; farm income will drop at least three billions.

Coupled with the loss in wages and salaries it adds up to a loss of at least 18 billion dollars—seven per cent of the national income for the past year. When it is remembered that seven per cent of the revenue collected by the Government is about three billion dollars, we can all see what the loss in taxes will be.

President Truman had access to those figures long before the public. Top-flight Capitol Hill economists are saying today that it was that report which prompted him to ask for a tax increase.

As if that slight-of-hand trick by the President wasn't enough, he completely ignored another report to which he had access far in advance of its publication.

### Truman Refuses to Face Facts

This was the official views of the Labor Department which pointed out that the Labor Department Chieftains were aware as long ago as last September, two months before the election and during the height of the President's promising days, that a "readjustment" period had set in. Furthermore the Labor Department felt in 1947 such a readjustment period was in the offing.

With all this official information on his desk, nevertheless, the President went boldly forward with plans to spend more and more, even to the point of being brazen enough to submit to Congress his estimates of revenue to be available that were far greater than that collected in our years of greatest prosperity.

Is it any wonder that Democrats on all sides in Congress have joined with Republicans in hesitating to act on further irresponsible spending sprees?

## BROADDUS TO RACE OUTBOARD ON LAKE FOR FALLS FIREMEN

Jimmy Broadbudd, Fredricksburg, Virginia, professional outboard race driver and holder of the 1948 national title, tops the list of entrants for the Morrisville Lake speedboat races to be held Sunday, June 5th. Races on the Morrisville waterway will get underway at 1 p. m. at the location one mile southwest of Morrisville on Highway Route 13.

The regatta will be sponsored jointly by the Fallsington Township Volunteer Fire Company and the American Legion Post, which groups have obtained the sanction of SCODA, the Eastern States Professional Racers Club, for eight separate races that will present a card of larger than thirty entrants from all sections of the Eastern Seaboard.

Bill Winder, commander of the Fallsington American Legion Post, stated: "The outboard drivers who will compete at Morrisville Lake are professionals who tour the entire East during the summer months and compete in Florida and Mexico during the winter. Their boats are the latest and fastest specially-designed-for-racing equipment that is available and the races that we of the Legion and Fire Company are staging are not to be confused with amateur type of boat races that have been seen from time to time on waterways in this area."

"Jimmy Broadbudd, for example, who will be racing north of the Mason and Dixon Line for the first time, won his national title last Fall at Colina, Tennessee, when he averaged better than 60 miles per hour in his tiny 150-pound racing hull, to capture his crown from contestants from all sections of the United States. Broadbudd has promised to be on hand with both Class C and Class F boats and motors. His Class F outfit alone is valued at \$4,000, and he will travel North with spares in the event he has an early breakdown in order not to disappoint the spectators."

"Many of the drivers who competed last Fall at the Legion's race on Van Sciver Lake, Morrisville, will again be seen at the new location which lies less than a half-mile to the East. Again for the convenience of spectators a vast area has been graded to offer free parking facilities and grand stands have been erected so spectators

may view the entire racing action in comfort.

"We will have two races each in the four different classes of racing hydroplanes and added features of aquaplane stunt riding and water skiing," Winder added.

Outstanding among the local drivers will be Francis ("Doc") Williams, veteran Class A driver, from Eddington, who, in his famed boat Sonovagun, won the national short-course Class A title in 1946. Since that date Williams has been unable to push his boat into the winning lanes with any degree of regularity and during the winter he had the Schmutz Brothers, designers of the radically different three-point suspension boats, build him a new hull in which he will make his first appearance on June 5th. In early test runs, Williams' new boat handled well and is considered to be considerably faster than his former mount.

His principal competition will be against his arch-rival, Gil Peterman, Malverne, L. I., N. Y., driver of the Bronx Express, who had 29 consecutive victories to his credit in 1948, until he was involved in a two-boat crash-up during the running of the national championships last Fall. Peterman, too, will make an appearance in a new boat, N-14, of which little has been heard, as Peterman's tests have been conducted secretly on a backwater course near Glen Head, Long Island.

In all, a starting field of more than 30 boats is expected. Last year, at the Morrisville regatta, SCODA, the sanctioning group, assured the sponsors of at least 25 entrants, and the starting field proved to have 32 in the pits.

A complete list of entrants will be given at a later date.

## MIDGETS TO RACE FOR 150-MILE TITLE, JUNE 12

Entries already have started to come in for the 150 mile midget championship at the Langhorne Speedway.

"Mike Josephs, local favorite, was the first to sign," noted Jack Nilon, who has taken over promotion at the local one mile track.

Josephs, one of the greatest midget handlers this city has ever produced, was hurt when hit by a car while crossing a speedway on foot, but is expected to be well enough to contend for the purse.

As one driver put it, "It will be a hungry field after a fat purse—watch out!"

The race will be held on June 12th, a Sunday, as usual and time trials will be held on the Saturday before, starting at noon.

All advance sale ticket holders will be admitted free to the time trials.

Stars such as Dutch Schaeffer, Bill Schindler, Larry Bloomer, and others, have received entry blanks at their request and the field to start is expected to be the fastest ever assembled in this section.

## Two Terrace Men Are Sentenced by Bucks Court

Continued from Page One

Ralph Gantz, who testified he bought a new suit with his share of the money, told how he and Stephens saw where the taproom proprietor, Bresnic, put the money and later broke into the taproom.

The young World War II veteran, who was unemployed March 1, was severely upbraided by District Attorney for using the taxpayers' money (unemployment compensation) for getting drunk and committing a crime.

The duo pleaded guilty to burglary, larceny and receiving stolen goods and were directed to pay a fine of \$5 and the cost of prosecution.

When a Philadelphia cafe worker, Denman E. Powers, and a Bucks County Attorney, William M. Pow-

er, took their places at the defense counsel's table in court room No. 1, President Judge Hiram H. Keller, noting the similarity in names, asked "Is this a family affair?"

The 29-year-old defendant's name is spelled with an "s" and the young County Seat lawyer's name does not have the final "s", but is Power.

State Policeman Thomas Marks, of the Langhorne sub-station, who investigated the case which involved extinguishing lights to avoid identification and arrest, said Denman E. Powers, 1406 Claret st., Phila., was followed by a police car April 10 in Middletown twp.

The motorist drove so fast and alternately turned his lights on and off until he lost the State policeman's car.

The defendant, who had picked up a GI and was going to see his family in Newark, N. J., on Palm Sunday, said that some place along the Roosevelt Boulevard he was accosted by fellows in a car. In or-

der to avoid an accident, Powers swerved his car and this made the occupants in the other car angry so that they became insulting.

"It was about midnight and I thought I was being pursued by them instead of a cop," said the defendant, who denied that he ever heard the police car siren.

The defendant later reported to the Langhorne barracks and gave himself up. "Didn't you believe his story?" Judge Keller asked the State Policeman.

Powers was given a suspended sentence and directed to pay \$100 in lieu of a fine, and the costs of prosecution.

### Tests Passed by Some Andalusia Girl Scouts

ANDALUSIA, May 23 — Twelve were present at the initial meeting which the Tuesday group of Girl Scout Troop 27 held at Camp Andalusia. Girls who are passing second class requirements, built a fire and made "some mores." Mrs. James

Wright supervised the fire building and passed Marie Cook on a child care badge. Miss Elva Hibbs was a visitor. Next week the Tuesday group will meet with the Wednesday group to prepare for Memorial Day parade, and plan the birthday celebration for June 5. Mrs. Harold Weinland assisted Mrs. James Doncker.

Seventeen were present at the meeting of the Wednesday group. The girls played baseball first. Several members passed merit

badge tests. The services of a former WAC are being enlisted to prepare the girls for the Memorial Day parade. Patricia Keller has been selected to accept the World flag which the Lions Club will present to the troop in June. Mrs. Elizabeth Wilcock assisted Mrs. Norman Gaugler.

tranged wife sat calmly in court, reading "The Big Fisherman," she did not testify.

About a decade ago, Mellor, who was working on a Philadelphia newspaper, grew a beard, affected a German accent and walked about posing as a Nazi submarine captain to prove how "insecure" were our "security" laws at the outbreak of World War II.

The former newspaperman and author of a book on General Patton, who is under an order for the support of two children, appeared in court to show why he has not fully complied with the order which was made March 9 by President Judge Keller. He is more than \$200 in arrears.

His counsel informed the Court that the ex-reporter had not been able to procure employment, and is attempting to obtain unemployment insurance, said that none of the six checks had come through as yet from the Bristol office.

"He will have to go to prison and can wait for the unemployment compensation checks down there," said Judge Keller.

## HULMEVILLE

"Come to Lancaster, Up" was the title of a series of slides in natural color, presented by Mrs. Henry Geisinger, of the Philadelphia Dairy Council, when she appeared before the Hulmeville-Middletown Parent-Teacher Association on Wednesday evening. Pictures of Lancaster county farms and homes, the "blue gates," etc., were portrayed. Election of officers took place at this meeting, all officers being re-elected as follows: President, Fred Herrmann; vice president, Jesse Daugherty; recording secretary, Miss Margaret Perry; corresponding secretary, Frank Binder; treasurer, N. P. Larson. The chairman of the refreshments committee, Mrs. Roger S. Burns, requested layer cakes and cup cakes for Memorial day treat for the children who enter the parade. She asked that such be delivered to William Penn Fire Co. station on the morning of May 30th. Reporting on the cafeteria, which has closed for the season, Principal Frank Binder stated that 6,507 lunches were served from November to April. Mrs. Herman Pettigrew has been in charge of the cafeteria, with several members aiding her. First grade won the attendance banner. Refreshments were served by Mrs. Pettigrew, Mrs. Samuel Brehaut, Mrs. Eric Bratby and Mrs. Joseph Mucklow, Jr.

Week-end guests of Miss Adeline E. Reitz were Mrs. W. Vernon Middleton and children, Patricia and Ladd, of Drexel Hill.

The bride is the daughter of Mr. and Mrs. Julio Scancella, and her father gave her in marriage.

Serving Mr. Cugasi as best man was Mr. Joseph Bruno, Trenton, N. J.; and as ushers, Messrs. Pasquale Caligaris, of Shendandah, and John Cugasi, Trenton, the latter a brother of the bride groom.

Vocalist Mr. Samuel Nabone was accompanied by Miss Rita Ciotti, organist.

Following a reception at Roman hall, Trenton, Mr. and Mrs. Cugasi left by automobile for two weeks trip to parts of Canada. Travelling costume of the bride consisted of a three-piece tan gabardine suit, navy blue accessories, and she wore the layardier orchid from her bridal bouquet. The newlyweds will make their home at Trenton.

Mrs. Cugasi presented her attendants with pearl necklaces and bracelets. To his attendants, Mr. Cugasi, a navy veteran of World War II, gave marquisette tie pins.

No idea as to the form the meeting will take on Monday evening has been announced, but it is presumed that it will be an informal discussion.

## Two Clergymen Officiate At Hampton-Foerst Wedding

Two clergymen officiated at the Hampton-Foerst nuptial ceremony in Bristol Methodist Church at four o'clock Saturday afternoon, the Rev. George Tibbets, of Coatesville, being assisted by the Rev. Charles Weller, pastor of the local church. The ceremony united Miss Dolores Foerst, of 3509 Dartmouth Place, Philadelphia, daughter of Mr. and Mrs. J. Mitchell, of that city, and Mr. Robert Earl Hampton, son of Mr. and Mrs. Frank Hampton, 306 Buckley street.

Vocal duets were presented by the Rev. and Mrs. Cook, of Jersey City, N. J., they being accompanied by Miss Winifred V. Tracy as they sang "Oh Promise Me," "I Love You Truly," and "Because."

Pastor tones were worn by the bride's attendants, the group being inclusive of: Maid of honor, Miss Ida Hampton, Bristol, a sister of the bride-groom, attired in blue; bridesmaids—Mrs. Dorothy Rieger, Phila., in pink; Mrs. Robert McCay, Bristol, orchid; Miss Audrey Lewis, Croydon, yellow; and Miss Mae Higgins, Philadelphia, pale green. The flower-girl, Carole Tibbets, of Coatesville, wore peach.

The men in the bridal party were: Mr. Herbert McCollie, Bristol, best man; Messrs. Robert McCay, Lawrence Ritter, Chester Streeter, Bristol and Lee Gearheart, Tullytown, ushers. The ring bearer was "Larry" Mitchell, Philadelphia, step-brother of the bride.

White satin was the choice of the bride. The gown featured a lace ruffle and beaded flowers as trim. She wore a veil of finger-tip length. The costume worn by Mrs. Hampton, mother of the bridegroom, consisted of a green and white crepe dress, white accessories, and red rose corsage. Mrs. Mitchell, mother of the bride, selected a light brown dress and yellow rose-bud corsage.

Two hundred guests gathered in the church social hall for a reception.

Leaving for a honeymoon automobile tour of New England states, Mrs. Hampton was attired in a navy blue suit and hat, and blue and white accessories. The newlyweds will reside in an apartment at Newportville.

## TWO METHODIST TEAMS WIN TWO GAMES IN LEAGUE

Bristol Methodist and Cornwallis Methodist each won two games during the week's activity in the Lower Bucks Church Softball League and thereby skipped over both Bristol Presbyterian and St. Luke's, each of whom dropped a pair of decisions. Bristol Methodist topped St. Luke's, 8-5, and Eddington, 10-1; while Cornwallis squeezed out a 4-2 win over Bristol Presbyterian, then upset St. Luke's, 8-5. This gave both Methodist clubs an even-up record of three-and-three and places them in a tie for fourth place. By losing a pair of games, St. Luke's and Bristol Presbyterian fell down to a sixth place tie as a result of their 1-4 record to date.

The three top clubs of the circuit—Bensalem, Calvary and St. James—each collected one victory as a result of their games played this week. Bensalem and Calvary, still undefeated, are running one-two in the standings with Bensalem holding a half game edge. These clubs battled to a 4-4 stalemate in their initial meeting at Hultsville, but each won its other game, Bensalem edging Bristol Presbyterian, 4-3; and Calvary nosing out St. James, 12-12, in eight innings. St. James earlier defeated victoriously Eddington, 7-1, for their fourth straight triumph.

The young season's outstanding thrill-interest thus far was reeled off at the Bristol Township Junior High School field Thursday evening where Calvary Baptist turned back St. James' dramatic bid for victory in an eight-inning spellbinder, 13-12.

Almost everything in the books went into this fracas to make it "spectator's delight" to watch. Some of the ingredients included a combined total of 37 hits—7 doubles, 4 triples, and 2 home runs—which were good for a total of 58 bases. Of these, Calvary had 19 base knocks, including six doubles, one three-base hit and a home run, for a total of 39 bases. St. James, on the other hand, collected 18 hits for 28 bases. Among these were three triples, one round-tripper and a double.

All but one man in each lineup collected at least one safety in this merry-go-round of base hits and runs. Leading the "hit parade" for both sides, and far above all the "stars of the show" were Jack Spencer and Jack Bailey of St. James. This pair represented the bulk of the losers' offensive power as they pounded Calvary's hurling for 9 hits between them, both having perfect nights at the plate, scored 9 runs and drove in 8 of their 12 tallies. Spencer had 5-for-5, including a double, scored five times, and drove in a couple himself. At the same time Bailey smashed out four straight hits, including two triples and a home run, scored four times and chased over a half dozen mates. He walked his other trip to the plate. Calvary was passed at the plate by Walt Tomlinson, who had three hits in four trips and a "squeeze" bunt sacrifice; and Al Kohler with a double and home run. Both drove in three runs. A half dozen other Calvary hitters collected a pair of bingles.

Calvary hopped off to a three-run lead mainly on the strength of Al Kohler's two-run homer. But St. James added a pair in their turn when "Ducky" DeLong tripled with two out and two on. However, he was cut down at the plate trying to score himself. Don Broschard singled to open the second and circled the bases on an outfield error. A walk and four more Calvary hits made it 7-2 at the end of the second. But St. James added three in the third on four hits and an error to make it 7-5. Walt Tomlinson's "squeeze" bunt enabled brother Lou to count Calvary's eighth tally in the fourth, but St. James came back with two on Bailey's two out triple to right with two on. Calvary picked up two more in the fifth on four hits and an error to make it 12-7 as Bud Pearson snared Harry Erny's sharp drive with the bases full and turned it into an inning-ending double play. The highly spirited St. James club, fighting with their backs to the wall, came up with three runs in the sixth on Bailey's second two-run triple. He scored the tying run himself on De-

Long's long fly to climax a ceaseless uphill fight. Neither team counted in the 7th though St. James missed a golden opportunity when, with two out, Ralph Hart singled, then stole second and third, but was left stranded as Calvary's relief hurler, Jim Katz, fanned Bill Foltz.

Hits by Walt Tomlinson, Chart Tomlinson and Elwood Dyer, mixed with Al Kohler's double, chased over the three Calvary tallies in the eighth, with the latter counting what proved to be the winning run. For St. James, still down, but far from out, came storming back with another rally to count twice on Spencer's fifth straight hit and Bailey's home run, his fourth straight safe blow. But then Katz settled down to retire the side without further damage to seal the victory for Calvary. As a result of their triumph Calvary hopped over St. James into second place in the loop standings.

Bensalem, the league leaders, played Calvary to a 4-4 draw, then nosed out Presbyterian in their other engagement, 4-3. Bensalem got off to a 3-0 lead, but Calvary counted a trio in the third when Chart Tomlinson tripled with two on and one run in to knot the score. Calvary went ahead with one in the fourth on two hits and an error and threatened to add more, but great defensive work by Bill Vansant throttles their bid. Bensalem tied the score in the fourth when Meyers singled and crossed after three straight passes.

Whby Gerlach's bases full triple went for naught as Bensalem fought back to defeat Bristol Presbyterian in another well-played and interesting game 4-3 at the Manumit School Thursday evening. Merritt Silcox's triple and Fritz Yeagle's single tied the score in the third for Bensalem, who then pushed over the winning counter in the fourth on hits by Bill Vansant and Ludwig mixed with a wild pitch.

Presbyterian also dropped a close, hard-fought game to Cornwallis by a 4-2 count when Al Geiges doubled with two out in the 7th after a pinch hitter reached first on a strikeout. Geiges also broke a 1-1 tie in the sixth with a long home run to left only to have Charlie Fischer duplicate his feat in the same frame for Presbyterian.

Besides conquering Presbyterian, Cornwallis also turned back St. Luke's, 8-5, to pull up to the "500 mark" on the season with Danny Hughes poling a two-run homer to help the winners' cause. Cornwallis led, 8-1, as late as the sixth when St. Luke's rallied to score three times and added another in the final canto only to fall short in their bid for victory.

St. Luke's also bowed to Bristol Methodist by the same tally, 8-5, earlier in the week. The setback at the hands of Cornwallis was almost a duplicate of this defeat by Bristol

Methodist. St. Luke's trailed by 7-1 in the final frame when they rallied to score four times only to fall short.

Bud Carter chalked up his second victory of the week as the Methodist club racked up a 10-4 triumph over Eddington Presbyterian handing the latter its sixth straight setback. Three home runs, which accounted for half of Bristol's total runs, helped materially in the ultimate success of the Methodist club. Johnny Dowd collected two of them to drive in three runs while Curley Patalon connected for the other with one on in the fifth.

## TWO TERRACE MEN ARE SENTENCED BY BUCKS CO. COURT

Ralph Gantz, of Bristol Terrace II; H. W. Stephens, Terrace I, Sent to Prison

ALLEGEDLY STOLE \$200

Judge Keller Upbraids The Plaintiff for Selling To the Pair

DOYLESTOWN, May 23 — Ralph Gantz, Bristol Terrace, No. 2, a former ETO Infantryman and American prisoner of war in Germany for more than a year, who was described by District Attorney Edward G. Bleser as getting drunk on the "taxpayers' money," and Harry W. Stephens, Bristol Terrace, No. 1, a South Pacific Seabee, were sentenced by President Judge Keller to serve not less than one nor more than three years in the County Prison.

Stevens, the father of five children, the youngest of whom is 16 months, and Gantz, who was living on unemployment compensation, pleaded guilty to stealing \$200 March 1 from the taproom of Dominic Breshnic, Bristol Terrace.

President Judge Keller upbraided Breshnic, the taproom proprietor, for permitting and selling drinks to men who hung around a taproom from 4 in the afternoon until 2 o'clock the next morning. "Keep a closer watch on your place and see what is going on," the Court said. "You are partially to blame for what happened and may find yourself in trouble."

Stephens, who informed the Court that he had to beg an Elizabeth, N. J., cop to arrest him the next day because he had committed a gin mill robbery in Bristol on March 1, said: "The officer said, 'Go away you are crazy.' I begged him to take me in and after awhile he said, 'Wait until the radio-wagon comes along and we will take you in, which they did.'"

## 60 RECEIVE THEIR FIRST COMMUNION

Mass is Celebrated by The Rev. Frs. Glass, Bair and Foley at St. Mark's

CROWNING CEREMONY

At the nine o'clock mass at St. Mark's R. C. Church, yesterday, 60 children received their first Holy Communion. The mass was celebrated by the Rev. Albert L. Glass, assisted by the Rev. E. Paul Baird and the Rev. Maurice Foley.

The crowning of the Blessed Virgin Mary took place at 2:30. Miss Mary Perry was May queen, accompanied by train bearers, Mary Ann Dopsin, Maxine Pizzulo, Barbara Nells and Joan Paul. Members of the graduating class of St. Mark's commercial class, in their white caps and gowns, led the May Queen to the altar through an archway of flowers held by the commercial class members. Miss Mary Perry delivered the eulogy before the statue of the Blessed Virgin, and the Rev. Albert L. Glass crowned the statue.

Prayers and hymns were sung by the children accompanied at the organ by Miss Jacqueline Connolly. The sermon was preached by the Rev. Fr. Glass; and the pastor, the Rev. E. ## A SUMMARY OF THE NEWS

Former Secretary of Defense Forrestal leaped to his death yesterday morning from the 16th floor of the National Naval Medical Center, Bethesda, Md. When his body was found the sash of his dressing gown was found knotted around his throat. It had been indicated that Mr. Forrestal was recovering from a nervous collapse that manifested itself in an acute feeling of insecurity and persecution. He was said to have felt unjustifiably blamed for the Air Force stand on unification and for what some considered to be an anti-Zionist attitude.

Tribute to an official who had served with "devotion and distinction" was paid by President Truman and other public men. The President, ordering flags flown at half-staff, called Mr. Forrestal "a truly a casualty of war as if he had died on the firing line." As the first Secretary of Defense, Mr. Forrestal was called upon to start unification of the armed forces at a time in world affairs he considered so precarious that he had to be prepared for war.

The Senate is expected to vote tomorrow on a bill to improve the unification process by increasing the powers of the Secretary of Defense.

## PRISONER CALMLY WALKS OUT OF COURT

Newtown Man Is Later Returned and Sent to Prison

NON-SUPPORT CASE

DOYLESTOWN, May 23 — Instead of taking a few steps to sit in "prisoners' row" after disposition had been made of his case in court here at the end of the week, William B. Mellor, Jr., 42, Newtown, calmly walked up the center aisle and left the court room.

It was a while later that the "prisoner" was picked up and returned to the place reserved for him. Mellor was committed to Bucks Co. prison by President Judge Hiram H. Keller because he had failed to comply with the court's support orders. He strolled out of the court room with his attorney, Pearce H. E. Aul, Newtown, and was "free" until an order was issued remanding him to prison. Later his counsel informed the Court that it was the attorney's first experience with such a case.

During the hearing, Mellor's case Continued on Page Four

MONDAY, MAY 23, 1949  
MAN OVER MESSAGE

Maybe it has happened before. But the photograph of Defense Secretary Johnson set spang in the middle of the government's paid newspaper advertisement urging young doctors and dentists to serve in the armed forces, seemed like something new.

During the war and since the government has often called on citizens to save paper, help collect scrap metal, save food, buy bonds, enlist in some branch of the military establishment, or do something else. Possibly some of these printed appeals carried the pictures of officials. But if so, they did not put the emphasis on the man rather than the message.

This one did. The caption read "From Secretary of Defense Louis Johnson—An Urgent Appeal to Young Doctors." The text framed a cut of the secretary that measured better than two and a half by three inches. The Johnson signature, in large black script appeared at the bottom. One glance would tell any casual reader that Secretary Johnson was making an urgent plea of some kind. It took more than a glance to find out what kind.

There is a need for doctors and dentists in the armed forces. It is justifiable to ask those who received government help in getting their training, or who were deferred from the draft so they could complete it at their own expense, to sign up for a two-year term of duty. But it is hardly necessary to publish Secretary Johnson's face in the newspapers to get the idea over.

The fact is that any advertising man who could not do a better job with this assignment ought to be in some other line. Secretary Johnson is entitled to have his political ambitions, but not to further them at public expense.

**REPORT ON ERP**  
President Truman has sent to Congress another of his periodic reports on the European Recovery Program. Because it dealt with the work of the Economic Cooperation Administration in the last quarter of 1948, it contained little new information. But it contained a forecast of considerable consequence.

"Realization of production and trade goals for the fiscal year," said the report, "is virtually assured and substantial improvement in western Europe's external position may be anticipated. The total gold and dollar deficit of the ERP countries on capital and current accounts is estimated at \$5,500,000,000—30 per cent less than the 1947 deficit of \$7,800,000,000."

As of June 30 this year, then, the dollar shortage ERP countries must contend with will be substantially less acute than it was last July 1. Beneficiary nations generally have achieved prewar production levels.

But the President's report says the second phase of the program attainment of the production necessary to economic independence, has "barely started." It is plain that there will be no cutting back of European relief expenditures in the near future.

## WASHINGTON WEEK

### THE MERRY MONTH OF MAY - MAYBE!

By CHARLES L. EGENROAD

WASHINGTON, D. C., May 26—The real cause for the Congressional bottleneck which is holding up Administration measures is President Truman's determination to spend more than the Nation's 1950 fiscal economy can possibly stand.

His insistence has swung both Democrats and Republicans into a consolidation that is gaining strength daily to save the nation from a higher tax bill with which to pay the Truman campaign promises.

Proof that President Truman is ignoring the advice of his own department experts by demanding increases in taxes to foot the bills for more spending is dramatized in a recent report of the Department of Commerce. This official report points out that a drop of major proportions can be expected in the national income in the fiscal year of 1950.

It also indicates that early consideration of the trend in business this year will find wages and salaries alone falling by 13 billion dollars in the fiscal year ending June 30, 1950.

These are the sources of Government tax revenue.  
**Farm Income Due for Severe Drop**  
The Department of Commerce report predicts—based on what has happened in only a few months—that dividends will drop one billion; interest and rents will drop one billion; farm income will drop at least three billions.

Coupled with the loss in wages and salaries it adds up to a loss of at least 18 billion dollars—seven per cent of the national income for the past year. When it is remembered that seven per cent of the revenue collected by the Government is about three billion dollars, we can all see what the loss in taxes will be.

President Truman had access to those figures long before the public Top-flight Capitol Hill economists are saying today that it was that report which prompted him to ask for a tax increase.

As if that slight-of-hand trick by the President wasn't enough, he completely ignored another report to which he had access far in advance of its publication.

#### Truman Refuses to Face Facts

This was the official views of the Labor Department which pointed out that the Labor Department Chieftains were aware as long ago as last September, two months before the election and during the height of the President's promising days, that a "readjustment" period had set in. Furthermore the Labor Department felt in 1947 such a readjustment period was in the offing.

With all this official information on his desk, nevertheless, the President went boldly forward with plans to spend more and more, even to the point of being brazen enough to submit to Congress his estimates of revenue to be available that were far greater than that collected in our years of greatest prosperity.

Is it any wonder that Democrats on all sides in Congress have joined with Republicans in hesitating to act on further irresponsible spending spree?

## BROADDUS TO RACE OUTBOARD ON LAKE FOR FALLS FIREMEN

Jimmy Broadbudd, Fredricksburg, Virginia, professional outboard race driver and holder of the 1948 national title, tops the list of entrants for the Morrisville Lake speedboat races to be held Sunday, June 5th. Races on the Morrisville Lake will get underway at 1 p. m. at the location one mile southwest of Morrisville on Highway Route 13.

The regatta will be sponsored jointly by the Fallington Township Volunteer Fire Company and the American Legion Post, which groups have obtained the sanction of SCODA, the Eastern States Professional Racers Club, for eight separate races that will present a card of larger than thirty entrants from all sections of the Eastern Seaboard.

Bill Winder, commander of the Fallington American Legion Post, stated: "The outboard drivers who will compete at Morrisville Lake are professionals who tour the entire East during the summer months and compete in Florida and Mexico during the winter. Their boats are the latest and fastest specially-designed-for-racing equipment that is available and the races that we of the Legion and Fire Company are staging are not to be confused with amateur type of boat races that have been seen from time to time on waterways in this area."

"Jimmy Broadbudd, for example, who will be racing north of the Mason and Dixon Line for the first time, won his national title last Fall at Celina, Tennessee, when he averaged better than 60 miles per hour in his tiny 150-pound racing hull, to capture his crown from contestants from all sections of the United States. Broadbudd has promised to be on hand with both Class C and Class F boats and motors. His Class F outfit alone is valued at \$4,000, and he will travel North with spares in the event he has an early breakdown in order not to disappoint the spectators."

"Many of the drivers who competed last Fall at the Legion's race on Van Seiver Lake, Morrisville, will again be seen at the new location which lies less than a half-mile to the East. Again for the convenience of spectators a vast area has been graded to offer free parking facilities and grand stands have been erected so spectators

may view the entire racing action in comfort.

"We will have two races each in the four different classes of racing hydroplanes and added features of aquaplane stunt riding and water skiing," Winder added.

Outstanding among the local drivers will be Francis ("Doc") Williams, veteran Class A driver, from Eddington, who, in his famed boat Sonovagon, won the national short-course Class A title in 1946. Since that date Williams has been unable to push his boat into the winning lanes with any degree of regularity and during the winter he had the Schmutz Brothers, designers of the radically different three-point suspension boats, build him a new hull in which he will make his first appearance on June 5th. In early test runs, Williams' new boat handled well and is considered to be considerably faster than his former mount.

His principal competition will be against his arch-rival, Gil Peterman, Malverne, L. I. N. Y., driver of the Bronx Express, who had 29 consecutive victories to his credit in 1948, until he was involved in a two-boat crack-up during the running of the national championships last Fall. Peterman, too, will make an appearance in a new boat, N-14, of which little has been heard, as Peterman's tests have been conducted secretly on a backwater course near Glen Head, Long Island.

In all, a starting field of more than 30 boats is expected. Last year, at the Morrisville regatta, SCODA, the sanctioning group, assured the sponsors of at least 25 entrants, and the starting field proved to have 32 in the pits.

A complete list of entrants will be given at a later date.

## MIDGETS TO RACE FOR 150-MILE TITLE, JUNE 12

Entries already have started to come in for the 150 mile midget championship at the Langhorne Speedway.

"Mike Josephs, local favorite, was the first to sign," noted Jack Nilon, who has taken over promotion at the local one mile track.

Josephs, one of the greatest midget handlers this city has ever produced, was hurt when hit by a car while crossing a speedway on foot, but is expected to be well enough to contend for the purse.

As one driver put it, "It will be a hungry field after a fat purse—watch out!"

The race will be held on June 12th, a Sunday, as usual and time trials will be held on the Saturday before, starting at noon.

All advance sale ticket holders will be admitted free to the time trials.

Stars such as Duane Schaeffer, Bill Schindler, Larry Bloomer, and others, have received entry blanks at their request and the field to start is expected to be the fastest ever assembled in this section.

## Two Terrace Men Are Sentenced by Bucks Court

Continued from Page One

Ralph Gantz, who testified he bought a new suit with his share of the money, told how he and Stephens saw where the taproom proprietor, Bresnic, put the money and later broke into the taproom.

The young World War II veteran, who was unemployed March 1, was severely upbraided by District Attorney for using the taxpayers' money (unemployment compensation) for getting drunk and committing a crime.

The duo pleaded guilty to burglary, larceny and receiving stolen goods and were directed to pay a fine of \$5 and the cost of prosecution.

When a Philadelphia cafe worker, Denman E. Powers and a Bucks County Attorney, William M. Pow-

er, took their places at the defense counsel's table in court room No. 1, President Judge Hiram H. Keller, noting the similarity in names, asked "Is this a family affair?"

The 29-year-old defendant's name is spelled with an "s" and the young County Seat lawyer's name does not have the final "s", but is Power.

State Policeman Thomas Marks, of the Langhorne sub-station, who investigated the case which involved extinguishing lights to avoid identification and arrest, said Denman E. Powers, 1406 Claret st., Phila., was followed by a police car April 10 in Middletown twp.

The motorist drove so fast and alternately turned his lights on and off until he lost the State policeman's car.

The defendant, who had picked up a GI and was going to see his family in Newark, N. J., on Palm Sunday, said that some place along the Roosevelt Boulevard he was accosted by fellows in a car. In or-

der to avoid an accident, Powers swerved his car and this made the occupants in the other car angry so that they became insulting.

"It was about midnight and I thought I was being pursued by them instead of a cop," said the defendant, who denied that he ever heard the police car siren.

The defendant later reported to the Langhorne barracks and gave himself up. "Didn't you believe his story?" Judge Keller asked the State Policeman.

Powers was given a suspended sentence and directed to pay \$100 in lieu of a fine, and the costs of prosecution.

### Tests Passed by Some Andalusia Girl Scouts

ANDALUSIA, May 23 — Twelve were present at the initial meeting which the Tuesday group of Girl Scout Troop 27 held at Camp Andalusia. Girls who are passing second class requirements, built a fire and made "some mores." Mrs. James

Wright supervised the fire building and passed Marie Cook on a child care badge. Miss Elva Hibbs was a visitor. Next week the Tuesday group will meet with the Wednesday group to prepare for Memorial Day parade, and plan the birthday celebration for June 5. Mrs. Harold Weinland assisted Mrs. James Doncker.

Seventeen were present at the meeting of the Wednesday group. The girls played baseball first. Several members passed merit

badge tests. The services of a former WAC are being enlisted to prepare the girls for the Memorial Day parade. Patricia Keller has been selected to accept the World flag which the Lions Club will present to the troop in June. Mrs. Elizabeth Wilcock assisted Mrs. Norman Gaugler.

Not just "more" roomy, but the most seating room in any mass-produced car, the most efficient use of interior space. Amazing head room, leg room to spare. You enjoy the most riding comfort—ahead of rear wheels, within the base frame, down where riding is most smooth, most relaxing.

Not just "more", but most road-worthy! Only Hudson, with exclusive "step-down" design and recessed floor, achieves a new, lower center of gravity—lowest in any stock car. Result: safest, steadiest ride ever known! To all this, Hudson adds the advantages of unit body-and-frame construction.

Your choice of the high-compression Hudson Super-Six engine, America's most powerful Six, or the even more powerful Super-Eight. Center-Point Steering for easiest handling. Triple-Safe Brakes for utmost safety. And many more high-performance, low-up-keep features.

## Two Clergymen Officiate At Hampton-Foerst Wedding

Two clergymen officiated at the Hampton-Foerst nuptial ceremony in Bristol Methodist Church at four o'clock Saturday afternoon, the Rev. George Tibbitts, of Coatesville, being assisted by the Rev. Charles Weller, pastor of the local church. The ceremony united Miss Dolores Foerst, of 3509 Dartmouth Place, Philadelphia, daughter of Mr. and Mrs. J. Mitchell, of that city, and Mr. Robert Earl Hampton, son of Mr. and Mrs. Frank Hampton, 306 Buckley street.

Vocal duets were presented by the Rev. and Mrs. Cook, of Jersey City, N. J., they being accompanied by Miss Winifred V. Tracy as they sang "Oh Promise Me," "I Love You Truly," and "Because."

Pastor tones were worn by the bride's attendants, the group being inclusive of: Maid of honor, Miss Ida Hampton, Bristol, a sister of the bride-groom, attired in blue; bridesmaids—Mrs. Dorothy Rieger, Phila., in pink; Mrs. Robert McCay, Bristol, orchid; Miss Audrey Lewis, Crofton, yellow; and Miss Mae Higgs, Philadelphia, in green. The flower girl, Carole Tibbitts, of Coatesville, wore peach.

The men in the bridal party were: Mr. Herbert McCollick, Bristol, best man; Messrs. Robert McCay, Lawrence Ritter, Chester Streeter, Bristol and Lee Gearheart, Tullytown, ushers. The ring bearer was "Larry" Mitchell, Philadelphia, step-brother of the bride.

White satin was the choice of the bride. The gown featured a lace ruffle and beaded flowers as trim. She wore a veil of finger-tip length. The costume worn by Mrs. Hampton, mother of the bridegroom, consisted of a green and white crepe dress, white accessories, and red rose corsage. Mrs. Mitchell, mother of the bride, selected a light brown dress and yellow rose-bud corsage.

Two hundred guests gathered in the church social hall for a reception.

Leaving for a honeymoon automobile tour of New England states, Mrs. Hampton was attired in a navy blue suit and hat, and blue and white accessories. The newlyweds will reside in an apartment at Newportville.
